Went for 2 for 1 steak night again. The food is really good. Steaks cooked properly. Service was a tad slow as there was only 2 servers working and numerous team tables taking their time up. The restaurant side was closed so we had to eat in the lounge. Appetizers are a bit expensive. The other way to look at it is the appetizers are small for what you pay for them. [read more](#). When the weather conditions is pleasant you can also have something outside. What [User](#) doesn't like about Fargos:

Fargo's is a restaurant and a pub with the two separated by a glass wall. The restaurant side is clean and welcoming but not ostentatious. Service was very good. The menu was simple but adequate to appeal to most tastes. I had fish & chips and found it tasty but a bit on the soggy side. Generally the food was "pub grub" rather than "haute cuisine." For a quick cheap meal, Fargo's is fine. [read more](#). If you're hungry some **spicy South American gastronomy**, you're in the right place: tasty menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, this [sports bar](#) is a favourite among the visitors, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big screen. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, Naturally, you should also taste the scrumptious burgers, accompanied by sides like fries, salads, or wedges served.
