This is a great casual pub atmosphere to catch up with friends! A bunch of us have been going here for a long time. It may not be the nicest pub, but it is not pretentious by any means. The beer is good and there are lots of tables. The music is also rarely too loud to hear a conversation over, but still loud enough to enjoy. Pub 1905:

1905 Pub is a strange one. Location wise, it is excellent. Size is more than efficient. Lots of tables, big patio and 2 pool tables (one working at the time). Decor can use some work but it is what it is. Food was good. I really liked their chicken sandwich. Service wise, I had it both ways. Ashley and Trish are the reasons I would go back.

Amazing and friendly service. They know their beers and enjoy what they do. It shows in their professionalism and approach to serving. On another occasion, we had some not so great service. Maybe, the server was having a bad night. Didn't seem like management cared or not. I will definitely go back on my return to Edmonton. Just for Ashley and Trish. In Pub 1905 in Edmonton, they prepare **delicious pizza** using a time-honored method, served straight out of the oven, For a snack in between, the fine sandwiches, healthy salads, and other snacks are suitable. Watching various sports events and competitions is equally one of the highlights of visiting this sports bar, The versatile *Canadian meals* are a hit among the visitors of the restaurant.
