I continue to go here two or three times a month. When I see the reviews of the places that serve chicken and we are now finding out that most places serve processed chicken which equates to serving only 40% real chicken the rest is additives...no names mentioned. Mary Browns is real chicken. Quite enjoyable and with taters and gravy its so tasty. read more. What User doesn't like about Mary Brown's:

I phoned and I was told the chicken is a frozen product, which should not be the case, as Mary Brown advertises as all fresh chicken.WHY have you ruined what was once a treat? read more.
