Here you will find the [menu](#) of **California Sandwiches** in Toronto. At the moment, there are **20** dishes and drinks on the menu. Despite the recent move to a smaller location with limited parking, this restaurant still attracts crowds during the lunch hour. The two line system can be confusing but the food, although missing some toppings, is generally good. Service can be slow, but the sandwiches are large and delicious. The hot table offers tasty options but is a bit pricey. Overall, the quality is consistently good and service is fantastic. The veal sandwich is a standout item, while the lasagna is perfect for leftovers. Cash is preferred, so be prepared. Despite minor issues, this restaurant remains a favorite for many regular patrons.
