Here you can find the [menu of Spys](#) in Windsor. At the moment, there are **16** courses and drinks on the menu. Spys Sub Shop in Windsor is a family-owned gem offering generous portions, flavorful subs, fresh salads, and endless frozen yogurt combinations. Despite some reviews noting thin meat slices, loyal customers rave about the over-the-top toppings and substantial size of the subs compared to chains like Subway. The staff is friendly, and the nostalgic atmosphere brings back memories of high school lunches for some. With only one location remaining, fans of Spys are willing to go out of their way for their favorite subs, appreciating the fresh ingredients and lack of nickel-and-diming on toppings.
