I've ordered from Eko sushi twice and I am SO impressed! I've never been in person so I can't comment on the restaurant itself, but OMG that food. I've tried a bunch of other [sushi](#) places in the Sud Ouest area but nothing else compares. (They also have 3 different kinds of [vegetarian](#) futomaki and this thrills me to no end). Definitely

found my new go-to [sushi](#) place! [read more](#). A visit to Eko [Sushi](#) is particularly valuable due to the comprehensive selection of coffee and tea specialties, Especially scrumptious are also the **Sashimi** and specialties like Inside-Out from this establishment. The **Asian fusion cuisine** is also an important part of Eko Sushi. Anyone who finds the normal and generally known menus too boring can here approach with a willingness to experiment and try some unexpected combination of ingredients eat, On the daily specials there are also several Asian dishes.
