We visited this place for breakfast and it was worth the trip. The place is by totally not fancy but the service and the food was great. Nice size portions, friendly service what do you want more? [read more](#). In nice weather you can even eat in the outdoor area. What [User](#) doesn't like about Matsqui Cafe:

Brought my family here for breakfast one morning, waited forever for the food, the server was slow and rude, the food arrived cold and sloppy on the plate, wont go back, the worst breakfast experience i ever had [read more](#).

Matsqui Cafe, popular for its typical Canadian menus, uses ingredients that are typical of the country, In addition, you'll find sweet delicacies, cake, small snacks and chilled refreshments and hot drinks here. If you want to have breakfast, a *versatile brunch* awaits you, The visitors of the establishment are also thrilled with the extensive variety of various **coffee and tea specialities** that the restaurant offers.
