Great place in the Coquitlam Centre Mall. It is near the London Drugs entrance and they make excellent/well priced sushi. Quick to go or eat in at their few tables. [read more](#). What [User](#) doesn't like about Togo Sushi: Got an assortment of rolls for takeout and they were ok but flavor just wasn't there. Chopped scallop roll on the menu said it had masago in it but there was none. Hardly any mayo either. Good sized portions for the price, but very average product. If you are there and need something quick it may fill the bill. [read more](#). [tasty sushi](#) (e.g., [Nigiri and Inside-Out](#)), as well as in many additional variations, are prepared for you by Togo Sushi from Coquitlam, with fresh ingredients like fish, vegetables and meat.
