On this webpage, you will find the **complete [menu](https://menuweb.menu)** of **Huckleberry's Family Restaurant** from Invermere. Currently, there are **60** dishes and drinks available. Despite some mixed reviews on service and certain dishes, the restaurant appears to have some standout items that are worth trying. The schnitzel and eggs received negative feedback in particular, but the Denver sandwich and deluxe beef dip were described as pretty good. Some customers had issues with slow service and felt ignored, while others praised their servers for being engaging and accommodating. Overall, the restaurant seems to have potential but may benefit from improvements in management and consistency.
