Very good burgers and fries. The iced tea is iffy though sometimes it is carbonated for some odd reason. Besides that nice staff. They give you your food really fast. Love their spicy chicken burgers. :p [read more](#). When the weather is good you can also be served outside, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about A&w Canada:

2 stars as a bathroom were very clean. my breakfast was so cold that the butter on my toast would not melt. the only thing that was hot was the hate they forgot to be stuck on my teller. this use to eat one of my men and I favorite places on our travel. very disappointed?. A visit to A&w Canada becomes even more rewarding due to the extensive range of coffee and tea specialties, And of course, you should also try the tasty burgers, with sides such as fries, salads, or wedges served. In case you want to have breakfast, a **tasty brunch** is offered to you, The original **Canadian menus** are a hit among the guests of the restaurant.
