A lot of GF dishes, but not clearly marked at the menu. Took the Punjabi rice bowl, and it was delicious. Compared to other Indian restaurant, it's a little bit expensive for the portion. [read more](#). In pleasant weather you can even be served in the outdoor area. What [User](#) doesn't like about Northern Dhaba Hot House:

I used to love coming here. This will be my last visit. We were the only table in there and our food took almost an hour. My partner enjoyed his wrap but what is with the butter chicken? It was basically a creamy coconut soup. Incredibly disappointing. \$5 for butter naan bread and it was completely dry. No residue on my fingers. How can it be butter naan if there is nothing on it? And the pieces were TINY! Complete rip... [read more](#). At Northern Dhaba Hot House from [Terrace](#) you can taste delicious [vegetarian](#) courses, in which no animal meat or fish was used,

Furthermore, the customers love the inventive combination of different menus with new and partially experimental products - a good example of successful Asian Fusion. Visitors also value the application of original **Indian spices**, Particularly the creative combinations of different ingredients offer the guests an unforgettable taste experience of this successful *fusion cuisine*.
