Overall rating 7/10 for bad service and oyster motoyaki. I'd probably come here after shopping or something and maybe try out the all you can eat menu.. The reviews on the ayce menu are horrible so maybe not but who knows! [read more](#). Kawawa from Burnaby Canada prepares for you *scrumptious sushi* (e.g., *Maki and Te-Maki*), as well as in many other variations, with fresh ingredients like fish, vegetables and meat, Besides, the creative blend of different meals with new and partially adventurous products is appreciated by the guests - a good case of Asian Fusion. The preparation of the menus is done typically Asian, and easily digestible Japanese meals are being made with lots of freshly harvested vegetables, fish and meat.
