A complete [menu](#) of Jack's Family Restaraunt from Henderson covering all 7 dishes and drinks can be found here on the card. Mixed reviews seem to be the norm for this restaurant. While some have had pleasant experiences with solid food offerings and impeccable service, others have been disappointed by dry and inedible meals, rude staff, and long wait times. The inconsistency in quality and service seems to be a recurring theme among customers. With options ranging from solid fried chicken dishes to disappointing breakfast orders, it appears that diners may have to take their chances each time they visit.
