It was a pleasant surprise to see the restaurant had no one else in it. I was greeted right when I approached the counter. The server offered to add an Apple Pie to my order. The food I ordered was brought to my table quickly. The Teen Burger was perfectly made and the fries were hot and delicious. It wasn't great to get free fries with my mobile coupon. Quiet and friendly place to get my work done. I look forward to... [read more](#). What [Mya Nienow](#) doesn't like about A W Canada:

This location used to accept Mobile Bandit coupons, and everything indicates that they still do, the specific location is listed in mobile bandit and the offers are still available, but when you attempt to use them, the staff tells you that they no longer do, and points to a sheet of paper taped to the counter saying we don't accept Mobile Bandit coupons anymore with no explanation. Of course, you are already inside... [read more](#).
