the food is 3/5. some is good but some are ok. the doordash mimi's is a little misleading showing a different photo from the description so have to be very careful ordering. The wonton soup is bland, we had to add salt to taste. The photo shows a whole chicken leg and thigh but I received chicken bits. The food is good but it can be improved. [read more](#). At the establishment you can enjoy the delicious tasty menus while enjoying the captivating view of the nearby sights, The **meat** is freshly *grilled* here on an open flame.
