Large decorations for the first impression. The prices are relatively high compared to other House of Chan and other fast food restaurants, but personally I think as Dine in the restaurant with these decorations, and dishes that are more sensitive at this point they did a good job in different ways themselves. I personally had a happy, positive first time experience there, ordered a Sichuan Chicken with a cup of Wulo... [read more](#). What User doesn't like about House Of Chan:

The service itself was good but the food, not so much. Chicken balls were hard, rice had a weird taste and chow mein was terrible. The only thing that was good was the egg role. Will not be going back to this place. [read more](#).

House Of Chan is popular for its original Canadian dishes, which are prepared with products typical of the country, Many customers show especially their enthusiasm for the *versatile, fine Chinese cuisine*. Here they also cook **South American** fresh seafood, meat, as well as corn and rice, and you can enjoy here tasty American meals like Burger or Barbecue.
