It was a quiet patio dinner as we were the only patrons there. Food was very tasty. I had the cascadia salad and stuffed mushrooms which were delicious. Service was great. [read more](#). In nice weather you can even eat in the outdoor area, and there is complimentary WiFi. What [User](#) doesn't like about Mr Mikes Steakhousecasual:

My wife's steak was undercooked other than that everything else was very good. My meal was absolutely fantastic, very favourable, and the French onion soup was the best I've had in a very long time. [read more](#). If you're hungry, some hot South American gastronomy, you're in the right place: tasty menus, prepared with *fish, sea creatures, and meat*, but also corn, beans, and potatoes are on the menu. For a snack, the fine **sandwiches**, small salads and other snacks are suitable. There are also delicious American meals, for example, **burgers and grilled meat**. Naturally, you can't miss out on the scrumptious burgers, which are accompanied by sides like fries, salads, or wedges served.
