We might have the meal plan of Hanamaru Market And Bento from North York Industrial in the gallery. A menu can be found further down. Are you currently at Hanamaru Market And Bento or planning a visit? Help us by **publishing the meal plan here**. What [User](#) likes about Hanamaru Market And Bento:

I recently ordered takeout from a Japanese restaurant and was thoroughly impressed by their Chirashi Don. The assortment of sashimi was uniquely delicious. The rice was perfectly seasoned and complemented the freshness of the sashimi impeccably. I highly recommend trying this dish and will definitely be recommending this restaurant to friends and family! [read more](#). In the Hanamaru Market And Bento from North York Industrial, a lot of freshly harvested vegetables, fish, and meat are used to prepare *easy-to-digest, flavorful Japanese menus*. Also, fans of **Korean cuisine** will be fully satisfied at the restaurant with meals like Bap, Kimchi or Jjigae.
