My first time here at the Flying Tiger Restaurant was for looking at the menu and ordering take away. Opens at three and has an excellent variety of dishes and a dining room that can accommodate at least 60 people. I chose some combo dishes that both included very tasty fried rice dishes. Super cheap and well done. I also appreciate being greeted right away, in a pleasant manner while making myself feel welcome. [read more](#). What [User](#) doesn't like about Flying Tiger Restaurant:

Absolutely terrible customer service, if your order is messed up they do not refund or even reduce price. Their debit machine goes In and out and if it's not working when he gets to your house you're expected to go get cash while the guy waits and your food gets cold. I'm appaled and will not be ordering again. [read more](#). Experience in
