What [User](#) likes about Burger King: I noticed a worker there by the name of George cleaning and tidying friendly and polite. I have never seen such a hard working and efficient worker in any restaurant I have been to in my life. I highly recommend this burger king the food is always hot and fresh. [read more](#). In beautiful weather you can even be served in the outdoor area, And into the accessible rooms also come clientele with wheelchairs or physical limitations. What [User](#) doesn't like about Burger King:

Most people in North America know about Burger King and the food they serve. Burgers mostly but have a decent chicken sandwich which I get most times when I visit. Cheap and quick is the name of the game and if you are tired of McD's this is pretty much the same with a different taste to the food, don't expect much if you eat at Burger King. [read more](#). If you're hungry some **hot South American gastronomy**, you're in the right place: delightful menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, and you can enjoy here delicious American dishes like **Burger or Barbecue**. Dishes are usually prepared quickly for you and brought to the table, And of course, you should also try the fine burgers, with sides such as fries, salads, or wedges offered.
