What [User](#) likes about McDonald's:

The consistent flow of traffic in this restaurant must have something to do with it. The food is fast, fresh and yummy. The restaurant is kept clean at all times. This is a stop you can come to rely on. The prices are decent for what you get, the staff is generally friendly and there is an on-site play place. [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather, and there is free WLAN. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [User](#) doesn't like about McDonald's:

If you love uncooked fries, season less burgers, and knowing your order is wrong every time, then this is your place to be. They never clean the milkshake machine, everyone I get tastes like multiple flavors...gross! To bad there want a 1/4 star rating. [read more](#). The fresh and fine juices listed on the drinks menu optimally complement the meals of the establishment, Of course, you also have to try the tasty burgers, that come with sides like fries, salads, or wedges served. Moreover, there are tasty American menus, such as **burgers and grilled meat**, Typically, the meals are prepared for you **in the shortest time and fresh**.
