What [User](#) likes about De Mello Coffee: great Korean coffee shop! love how to incorporate the Korean culture into their shop. her Grapefruit soda was delicious. the shop is not the largest and has limited seating, but they have a huge area worth a look! I would recommend others for a visit here. [read more](#). The restaurant offers complimentary WLAN for its guests, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about De Mello Coffee:

A disappointing flagship considering how much De Mello beans are seen across Toronto cafes. The drinks don't have the quality to match their high reputation despite the premium pricing, more expensive than other third wave coffee shops in the city. The quality is inconsistent depending on staff (so this may be an unfair criticism across the board), but the milk is usually too hot and the texture too unrefined, while e... [read more](#). A visit to De Mello Coffee is particularly valuable due to the large variety of coffee and tea specialties. In addition, you'll find sweet delicacies, cake, simple snacks and chilled refreshments and hot beverages here.
