When the weather conditions is nice you can also eat outside, And into the accessible rooms also come guests with wheelchairs or physical disabilities. For breakfast, you can enjoy a *appetizing brunch* at Mercer Tavern, as much as you want, Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. In this locale there is also an extensive diversity of **coffee and tea specialties** not to forget, Of course, you also have to try the tasty burgers, that come with sides like fries, salads, or wedges offered.
