This is a simple mom and pop steak and eggs kind of play, so don't expect the ritz. The 5 stars is because they do solid home cooking. It's very clean and the staff are incredible. I've been going here for years, and I will continue to. And it's very reasonably priced as well. Also fantastic if you have kids. [read more](#). What [User](#) doesn't like about Lumberjack's:

This is place is in mess. Seems like complete negligence from management. I was there for lunch. The cushions were all ripped, corner of the tables were chipped and cracked. there was strange smell, could be the moldy carpet. It wasn't busy and service was below par. Was disappointing. Food was so so and the service was average. It's not like it used to be. It needs attention. [read more](#). The restaurant offers complimentary WLAN for its customers.
