I had high expectation considering all the meat cut they had and the price of the menu. When I was ready to order I was suprised how half of the menu was not available and the restaurant almost had opened. My steak was rare instead of medium well. Overall the restaurant is clearly overrated. For a 350\$ receipt I was hopping to get better service and food. I could have gone eat to a smaller steakhouse and eat better fo... [read more](#).
