[Beekeeper9922](#) doesn't like about The Pit:

The Pit is famous for its **original Canadian meals**, made from typical country products, Here, the barbecued food is freshly prepared on an open flame. Sometimes you may not want to consume a lot, in this case one of the scrumptious **sandwiches**, a healthy salad or another snack is just right, You'll find scrumptious South American dishes also on the menu.
