Very cute place, love the decorations and the cosy feel. Got their floral Phoenix Oolong Cheezo and it was pretty good! It's not too sweet which is something I appreciate, the cheese mousse was very tasty and complimented the flavor well! I'll definitely be back to try the rest of their menu! [read more](#). Interesting experience! I've never felt despised by an employee like that. Just went in earlier this eve and the way he glared and spoke to us made me curious if he hated us, or just people in general... other recent reviews make me think it's the latter. We got the apple tea and blueberry yogurt, they were fine. I hope that young gent starts enjoying his work. [read more](#).
