What [User](#) doesn't like about Seoul House Korean Japanese: I like the side dishes. I ordered Tangsuyeok with sauce on the side but it came with sauce on top. When i corrected it, i was asked if I could just eat it as it was, of course I said NO. They gave me another one with sauce on the side after, but i couldn't get rid of the unbearable feeling. Understaffed unprofessional. Too bad, I never go back since then. [read more](#).
