Freshly harvested mint, fine salad, sprouts and a splash of lime combined with rice noodles and meat - all of this can be found not only during your vacation in Vietnam on the menu, but also when visiting the local Co Do Vietnamese in Calgary. On the daily specials there are also several *Asian meals*. The **Asian fusion cuisine** is also an important part of Co Do Vietnamese. Anyone who finds the usual and generally known menus too boring should approach with a willingness to experiment and try some unexpected combination of ingredients taste.
