This place is a 5 star taste experience. The AI pastor is excellent and the Birrira taco ? was phenomenal. It's one of the old places to get the two in the Edmonton area and it doesn't disappoint. The atmosphere looks proper for a family dinner or date night. I seen people drinking these huge margaritas I'm definitely going to try that next.

Enjoy guys! [read more](#). What [User](#) doesn't like about El Taco Loco:

The food was good. However, I ordered for pickup and stated no cucumbers in the ceviche. It was loaded with them. I stated no sour cream or cheese on the enchilada and it had that on them. This was very disappointing. I live out of town so couldn't take them back. [read more](#). Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Particularly with the bite-sized Tapas, you can't absolutely nothing wrong, because there is something for all tastes.
