When the weather is good you can also have something outside, and there is free WiFi. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physiological disabilities. In the Toast! from Québec you can enjoy *meals as they are common in Europe*, there are also **delectable [vegetarian](#) meals** on the menu.

Ultimately, the environment also plays a role: The bistro can create the suitable homely atmosphere with its picturesque small size here, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
