They changed the menu and are offering less for lunch than they did before. The all you can eat still is a good deal for lunch. One thing the bathrooms are located in the basement and my mother who has had hip surgery couldn't go down those stairs so it is NOT handicap friendly. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Aji Sai:

My daughter and I visited this restaurant last week for lunch. We have eaten here before and have always enjoyed the food but have noticed a rather steep decline in the service. It takes for ever to get the attention of a server, the food is delivered late, and, when my daughter asked for water, it was eventually brought to our table at the same time as the bill! Add the fact that the waiting staff is surly and rude,... [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only exquisite menus, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, The guests of the restaurant are also thrilled with the large variety of differing coffee and tea specialities that the restaurant offers. **The dishes are prepared according to typical Asian style**, fine particularly are the Sashimi and delicacies like Te-Maki that this restaurant is known for.
