Spotless restaurant, friendly staff, easy to understand menu, and a delicious and filled pita with tons of options for vegetables and meat. What else could you ask? Super impressed by these people! [read more](#). What [User](#) doesn't like about Pita Pit:

20 minutes on line (during my lunch break from work! during the employee served others and fulfilled online orders. I know it's not her fault, but an employee during a weekend lunch rush is bad business for the owners. If it really wanted to be recognized by the employee, maybe even a head up, that it could be a long wait instead of letting me into the money. Make sure you leave a bad impression. I often eat here and never had such experience, even during the lunch break. If you're in a hurry and need something quick, you can get fine *Fast-Food dishes just the way you like it* from Pita Pit in St. John's, prepared for you in short time, Also, the Greek dishes are also very popular with the guests of the establishment. With fresh seafood, meat, as well as corn and rice, here they also **South American** cook, and you can enjoy here fine American dishes like **Burger or Barbecue**.
