We had breakfast here twice while staying down the street. Prices were good for the quality of food. Food was great and the staff was friendly and helpful with fast service. Would go again in a heartbeat. [read more](#). You can use the WiFi of the place at no extra cost, And into the accessible spaces also come clientele with wheelchairs or physical limitations. If the weather conditions are right, you can also have something to eat outside. What [User](#)

doesn't like about A&W Restaurant:

I go to A&W really often. It's the worst place I've ever been. The patty was cold, the cheese didn't melt, and the soda didn't have any carbonation, so it must have tasted like sugar in the water. The machine must be broken. I think the temperature of the food is important.. Bacon that's been baked for a long time. Pre-cooked patty even though there weren't many customers. I was hungry, but I took a bite and couldn't... [read more](#). If you're craving some spicy South American cuisine, you've come to the right place: exquisite menus, cooked with *fish, seafood, and meat*, though corn, beans, and potatoes are also on the menu, Inthemorning a hearty brunch is offered here.

In addition, there are fine American meals, such as **burgers and grilled meat**, Naturally, you can't miss out on the **delicious burgers**, which are accompanied by sides like fries, salads, or wedges provided.
