Phone in our order on a Friday night at 5:00. The order was ready in 15 minutes! Big fajita supreme \$18 I know they have deals on multiples, but I just needed those that there were still a few slices left for breakfast lol. Crust became... not raw or diligent. Good quality quantity of toppings also. Would definitely order from here again. [read more](#). What [User](#) doesn't like about [Pizza Inn](#):
