I mean its mcdonalds, most people know what to expect. This one is good, the wait times are minimal, not full of vagrants like the one downtown, and is easy to get in and out from. Its renovated (as most are now) and I still love it, no matter how bad the press against it has been in the last 10 years. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations. What [User](#) doesn't like about McDonald's:

Not a bad MD but not the best either, a bit slapdash. It's frustrating when they don't put the straw in the bag and you only discover that when you open the bag to take out your meal. Until now McD has been the only chain one did not have to park in the lot to check they gave you everything before you go back home. [read more](#).
