Here you can find the [menu](#) of Wings on Granville in Vancouver. At the moment, there are **16** meals and drinks on the food list. The restaurant features a variety of wings, with varying quality and service experiences. While some found the food average, others were disappointed in the quality of wings, especially for a place with "wings" in its name. The ambiance and service were generally positive, although a few negative experiences were noted. The restaurant offers a range of flavors, some of which were well-liked by customers. Happy hour deals were particularly appealing to some patrons. Overall, the restaurant provides a mixed dining experience with room for improvement in consistency and quality.
