What [User](#) likes about Baba Kay's Ukrainian Cafe: Baba's has authentic Ukrainian/Russian food. The pierogies are terrific and go really well with the rest of the meat platter. The sausage was really good too. It takes a little longer at Baba's to order and get your food - probably because they cook the pierogies to order. And the borscht is not a smooth soup like you may expect, but otherwise it's a great place to try. [read more](#). What [User](#) doesn't like about Baba Kay's Ukrainian Cafe: I'm not happy with my order. My job was pancakes without a pipe to beat the strawberries. What I got was soggy pancakes that with the strawberry topping that was very watery and whip that I asked not included. They were from the belgian wafer, which is why the strawberry drops.
