A complete [menu](#) of **Tori Tora Sushi** from Montréal covering all **15** meals and drinks can be found here on the menu. A comprehensive review of Tori Tora reveals a mixed bag of experiences. While some patrons enjoyed the ambiance, generous portions, and friendly chef who improvises sushi creations, others were disappointed with the overwhelming use of mayo on sushi creations, inconsistent service, and charging for takeout containers. The restaurant's diverse menu, including gluten-free options and unique dishes beyond sushi, received praise. Overall, Tori Tora offers a cozy setting for a variety of Asian cuisine but may have some room for improvement in terms of consistency and customer service.
