Stopped in and got a large 4 topping for take out, it was nicely cooked and the pizza had a really good flavour. There are better small independent pizzerias in town but dominos seems to rate better than the other chains in terms of flavour and prompt service. Will return. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What [SpitfireLC](#) doesn't like about

Domino's [Pizza](#):

....but perhaps the take out [pizza](#)'s taste was affected by the fact that, AGAIN, at this location, I watched people spin the dough without washing their hands after taking money/making change and touching keyboards.....gross! Ownerw/Managers really need to do something about this!. At Domino's [Pizza](#) in Sudbury, *tasty, juicy, delicious meat is freshly grilled* on an open flame and served with fine sides, You shouldn't miss the opportunity to try the flavorful [pizza](#), baked fresh in an traditional manner.
