beautiful [sushi](#) and authentic Korean and Japanese food. it is a family restaurant and they can say that they work hard to make their experience great. if you have a party of six or more, you can book a semi-private room in traditional Japanese style. I hosted a meeting to use these stands! [read more](#). What [User](#) doesn't like about Masamune Japanese:

Just had it today, it was a solid 3.5. By no means is this the best [Sushi](#) around. Will you be disappointed... no. Will it blow you away... no. One of the best indicators of good [sushi](#) restaurant are those restaurants that use real wasabi. It's the small details that show that they understand and honor the craft. [read more](#).
