Went here with friends while looking for coffee one morning. They got teas and a brownie. The services was fast and efficient. The overall atmosphere was pretty darn nice and I wish there was one of these near where I lived in Calgary as it would be the perfect place to have some coffees or teas and read a book. Will be hitting this place up next time I am in the city for sure! [read more](#). In beautiful weather you can even have something in the outdoor area, and there is free WiFi. What [stacy anhorn](#) doesn't like about Remedy Cafe Jasper Ave:

Server was friendly... however, they made my drink, put the lid on and put it on the counter, then when they pushed it forward, it fell over. Lid fell off, they picked up cup and put a new lid on... no offer of apology and no offer to remake my drink. I paid for a full cup and the counter got the first drink of it. Service definitely used to be better. [read more](#).
