Expect unimaginable combinations of different products at Progress Bakery - all according to the approach of a *exceptional fusion cuisine*, There are also oven-warm breads and snacks, complemented by a variety of both cold and hot drinks. If you have little appetite, you can treat yourself to one of the scrumptious **sandwiches**, a healthy salad or another snack, The inventive fusion of different dishes with fresh and occasionally daring products is highly valued by the customers - a good example of Asian Fusion.
