 Ordered the spring rolls, pho and vermicelli bowl a couple of times and the food is good. Found the soup base to be lighter than others I've had before. Pork has a lot of flavour but would be even better if it was really grilled. Would also be great if credit cards were accepted. [read more](#). What [User](#) doesn't like about Nha Trang Cafe: Had #6..the pho is glorious! I've honestly been raving about this soup since lunch. The portion is so generous that I'll be enjoying it for dinner as well. Absolutely wonderful! [read more](#). Freshly harvested mint, fine salad, sprouts and a few drops of lime combined with rice noodles and meat - all of this can be found not only during your vacation in Vietnam on the plate, but also when visiting the local Nha Trang Cafe in Tillsonburg, there are also *fine vegetarian menus* on the menu.
