mixed feelings. the app had problems to complete my order so that they have kindly appreciated my app offer on the counter. but my chili wasn't hot when I ordered. although my visits are short after opening, it should be hot and ready. the riders are some of the best among the [fast food](#) chains and their burgers are not spectacular, but good. If they are happy with the app, the offers are quite generous. [read more](#). In the morning, a opulent brunch is offered at Wendy's in Toronto that you can sample as much as you like, And of course, you should also try the scrumptious burgers, with sides such as fries, salads, or wedges served. When you're not so ravenous, you can just treat yourself to one of the scrumptious *sandwiches*, a healthy salad or another snack, Particularly, the guests love the flavorful [juices](#).
