there are always lines here and from good ground. eating is incredible! the owner/cook is vegan. it is so nice to have at least 5 options to choose from. I had every one of them and can't choose what I like most! the falafels are amazing and the curry! and the burger! when they are vegan and on galiano at a weekday, make sure to stop by. updated by previous review on 2021-03-26 [read more](#). In nice weather you can even have something in the outdoor area. A visit to The Flying Black Dog becomes even more rewarding due to the comprehensive variety of coffee and tea specialties, It's worth mentioning that the typical **Canadian dishes** are well received by the customers of the establishment. Of course, the most diverse products are also used in the most unique combinations and variations - according to the motto of the Fusion Cuisine on the menu, there are also *fine vegetarian recipes* in the menu.
