I would drive over the province to get a cake of decadent brulee! serving their cakes is a tradition for birthdays and special celebrations in our family have become over many years. we have all our favorites, and are always thrilled when we ask for an individual combination of tasty and are said we can! the quality is exceptional. the taste is beyond the cake. [read more](#). What User doesn't like about Decadent Brulee:

definitiw not dekadent. I was thrilled to try this place, but it was super super super super disappointed. so bland, basic and dry (we ordered a lot of objects and they were all as terrible.) I had better from 7/11. there are many better possibilities in this city, that is not worth it. [read more](#). Decadent Brulee from Calgary is a **relaxed coffee house**, where you can enjoy a snack or cake with a **hot coffee or a sweet chocolate**. Also, the customers of the establishment love the comprehensive selection of various coffee and tea specialities that the restaurant has to offer.
