What [Doug Craine](#) likes about Golden Fish And Chips: Regular customer. Generally an awesome product although many times the chips aren't quite soft enough in the centre....just means they needed to be prefried(blanching) a bit longer. The pickle spears are really good but the owner is a little on the serious side, always very polite tho. [read more](#). When the weather conditions is pleasant you can also eat outside, And into the accessible rooms also come guests with wheelchairs or physical disabilities. What [Robert B](#) doesn't like about Golden Fish And Chips:

They are only open for take out right now. We ordered by phone and order was ready when I got there. They have a little window where you pick up your order. Girl was not wearing a mask but was friendly enough. They only take debit or cash right now. The food was very good and I would probably return when the virus is over. [read more](#).
