I am pretty picky about food quality when I am paying a premium and this time it was worth every penny. The service was amazing, the Rhubarb and peach French Toast was the best I have ever had...this includes the one I make at home which I thought was the best...I am so going to try and re create this..Hats off to you all! [read more](#). You can use the WLAN of the place at no extra cost, Depending on the weather conditions, you can also sit outside and have something. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physical disabilities. What [User](#) doesn't like about Gourmet Girl Cafe:

So bummed, read all these reviews about their brownies and other treats, but it is all in an open display case with the GF elements on the bottom. Not celiac for bakery. Luckily they have a small market where we could buy my son a candy (most of them were called GF) while our other children got a bakery article. They liked what they ate, but none of them were GF. So crushed! Based on their other reviews, I assume the... [read more](#).
