What [Milk Mellow Delivery Burguer](#) doesn't like about Cora Breakfast And Lunch:

Opens early, fast and friendly service but the food was below average and expensive. We got crepes but they were not good. They didn't seem fresh, hard around the edges, like they had been prepared the day before then put back on the flat top per order. Whether that's accurate or not, that's what it tasted like. Saving grace was that the fruit was fresh. \$20 for a simple breakfast is ridiculous. Will not return. [read more](#).
